CHARITY GOLF DAY
AT THORNBURY GOLF CLUB
FRIDAY APRIL 27TH 2012

Many of you played in our two previous Charity Golf Days and the money raised has been invaluable in enabling ACT to further its plans to build a new Arts and Community Centre in the heart of Thornbury. We believe this will be of enormous benefit to local people and will do much to regenerate the town. Over the last year, ACT has been in close consultation with the Armstrong Hall Trust and we are confident that 2012 will see a major step forward in co-operation between the two organisations. The funds we have raised so far have been used to pay experienced consultants in business, architectural and fundraising capacities to demonstrate the practicality of our dream and the way forward. All reports have been very encouraging and we hope to launch our big fundraising initiative in the near future. Please continue to support us and be part of this exciting project!!

There are several trophies to win, donated by Catherine Johnson, Bonds of Thornbury and Gems of Thornbury. The overall winning team will win four tickets to The Welsh Open which will be played from May 31st to June 3rd at Celtic Manor, home of the 2010 Ryder Cup. This year we are introducing a putting competition to add to the opportunities for golfing glory!

The entry fee for each team of four will be £140 which will include a delicious buffet lunch and coffee after the game. The format for the team prize will be a Stableford Bowmaker. This will be a fun day - we hope to see you there!

With best wishes
