ACT organised a very successful golf day last year which raised well over £2000 for this amazing local project. Following other successful events, especially The Wigan Girls which took place this year, the future for the project is optimistic and we are planning another golf day next year. Details and entry forms will be available early in the New Year so e-mail to this address if you would like to participate. Please support us!

First prize will be four tickets to the Welsh Open at Celtic Manor. It will be a great opportunity for not only a grand day out but to watch some of the finest golfers in action as they will all be there getting to know the course in preparation for the Ryder Cup in September.

In the meantime, watch the press for other fund-raising events coming up in early 2010 and spread the word among your golfing friends.
